

EXPRESS

FROM 200 TO 800 GPD OF PURE WATER

PURE WATER FOR SMALL
TO MID-SIZED YACHTS

The Express series watermakers are designed specifically for tight spaces being the perfect fit for every small to mid-sized yacht. These systems offer semi-automatic operation utilizing traditional switches and a manual high pressure valve.

- Semi-automatic operation
- Simple controller with LED indicators
- Available in compact or modular configurations
- Standard Fresh water flush system included
- High rejection membranes
- Dual voltage 50/60Hz motors
- Quiet and reliable high pressure pumps
- Optional Magnetic Drive Booster Pump
