

EXPRESS XT DC

FROM 200-600 GPD (760-2,270 LPD) OF PURE WATER

PURE WATER FOR SMALL
TO MID-SIZED YACHTS

The Blue Water Express XT DC series watermakers feature automatic operation with capacities up to 25 gallons per hour (95 liters per hour). Designed to fit into tight spaces of small and mid-sized yachts, the Express XT DC is ideal for applications in today's cruising yachts that rely solely on DC power while away from the marina.

- Fully automatic operation
- Simple LCD screen controller
- Available in compact or modular configurations
- Standard Fresh water flush system included
- High rejection membranes
- Available in 12V, 24V & 48V DC
- Quiet and reliable high pressure pumps
- Optional remote control
