LEGEND

FROM 475 TO 1,800 GPD (1,800-6,810 LPD) OF PURE WATER

PURE WATER FOR MID TO LARGE-SIZED YACHTS

The Blue Water Legend series sets the standard in watermaker technology, delivering fully automatic operation with production capacities of up to 1,850 gallons per day. Designed for ease of use and maintenance, the Legend series simplifies troubleshooting through its intuitive 7" full-color touchscreen controller.

Built with advanced engineering and high-efficiency membranes, these watermakers provide superior freshwater production for mid to large-sized yachts. Designed for flexibility, they are available in compact or modular configurations to fit different engine room layouts.

HIGHLIGHTS

- Fully automatic operation
- 7" full color touch screen controller
- Available in compact or modular configurations
- Designed for easy service and maintenance
- Fresh water flush system
- High rejection membranes
- Dual voltage 50/60Hz motors

NEW

Optional Multi-Function Display Integration

Now with seamless Garmin OneHelm™ & Raymarine Lighthouse integration—monitor and control your watermaker directly from your helm station.
